

1 It is larger than that had been originally
2 contemplated because we felt it highly desirable that the
3 Committee be to the greatest possible extent representative
4 of the entire State. I had a great many requests for
5 appointment to the Committee; in order to get the kind of
6 representation we thought desirable, it was necessary to
7 disappoint many of you in your request for appointment
8 to this Committee.

9 I should say that in the instance where a
10 delegate was already a member of two committees, or was
11 an officer of the Convention or any of the committees, he
12 was not appointed on the Committee on Public Information.

13 I will ask the Clerk to read the names of the
14 members of the Committee.
